Epsidoe 500

6

Cast: Kim Sook, Han Hye Jin, Seo Jang Hoon, Joo Woo Jea, Kwak Jeong Eun

7

Love Naggers are back with Season 3. An impregnable data of breakups is established through season 1 and 2! After the panels have nagged strongly on love stories that are unbelievable than a soap opera, more and more of troubled men and women are being released from their bitter relationships. It will diagnose their relationship more strongly and with more determination. Diagnosing break-ups to people in bloody fights who are fooled to think that it's a romance continues.
